3. Pineapple Builder

The collage consists of six screenshots arranged in two rows of three. The top row shows three templates: 1. A 'Personal Website' template for a 'Marketer. Entrepreneur. Educator.' featuring a bio, a photo, and a 'Book a meeting' button. 2. A 'Digital Products' template for sharing knowledge, featuring a bio, a photo of a person at a desk, and a 'Shop' button. 3. A 'Creatives' template for a '3D Artist. Animator. Photographer.' featuring a bio, a photo of a person in profile, and a 'See Site' button. The bottom row shows three templates: 1. A 'Beauty Services' template for 'Matthew Carter' featuring a photo grid of three models. 2. A 'Freelancers' template for a 'Marketer. Entrepreneur. Educator.' featuring a bio, a photo of a man, and a 'Book a meeting' button. 3. A 'Business' template with a dark background, featuring a bio, a photo of abstract shapes, and a 'See Site' button.

Personal Website

Great way to showcase your skills and experiences to potential employers or clients. It also allows you to control your online presence and create a unique space on the web that represents who you are.

Digital Products

Platform to showcase and sell your digital products. You can use your website to provide detailed information about your products, offer demos or free samples, and make it easy for customers to purchase and download your creations.

Creatives

Create an online portfolio showcasing your work and attracting potential clients or collaborators. It's also a great way to build a community and connect with fans. Plus, having your own website gives you complete control over how your work.

Beauty Services

Freelancers

Business

Made in Builder

Build your dream website using this simple AI website builder.

4. Scisummary

The screenshot shows a web browser window for 'OTHELLO IS SOLVED - SciSum'. The URL is scisummary.com/request/9be7bc7b-8872-4f81-9d31-21f8afc87740. The page header includes the SciSummary logo, navigation links for Dashboard, Summarize, Multi-Article Summarize, and AI Abstract Generator, and user information showing 247.91k / 2M monthly words and Max B Heckel.

The main content area displays the title 'OTHELLO IS SOLVED' with an edit icon. Below it is a large preview image of the research paper. The paper's title is 'OTHELLO IS SOLVED' and is attributed to Hiroki Takizawa from Preferred Networks, Inc., Chiyoda-ku, Tokyo, Japan, with contact information: contact@hiroki-takizawa.name. The abstract discusses the complexity of Othello and its recent solution, mentioning that it has been solved computationally, leading to a draw. It highlights the use of alpha-beta search techniques and the efficiency of the search algorithm compared to previous research.

On the right side of the page, there are tabs for Summaries, Chat, Figures, References, Paper Recommendations, and Notes. A purple button labeled '+ NEW SUMMARY' is visible. Below the abstract, settings are shown: Mode: By Section, Length: Short, Language: English, with an 'ACTIONS' dropdown menu. The introduction section of the paper is partially visible, explaining the significance of the AI research in mastering pure strategy games like chess.

Summarize any scientific article using cutting-edge AI tech.

5. Venturus AI

The screenshot shows the VenturusAI website. At the top, there's a navigation bar with links for 'Report examples', 'Pricing', 'Contact', and 'Login/Register'. A green banner at the top of the main content area says 'New! We've introduced our Pitch Deck generation feature. Check it out in your reports →'. Below this, a large heading reads 'Instant feedback on your business ideas'. A subtext explains: 'Turn your business idea into reality! We use GPT-3.5 and GPT-4 to generate an analysis of your business idea and give you feedback on how to make it successful.' Two buttons are present: 'Get started →' and 'Learn more'. To the right, a generated report for a travel platform is displayed. The report title is 'Analysis and Feedback on a Platform for Last-Minute Travel Deals'. It includes a brief description and a section titled 'BOOKS TO GUIDE YOU ALONG THE WAY' featuring 'The Lean Startup' by Eric Ries. At the bottom of the page, there are logos for Product Hunt, BetaList, Jason Calacanis, Future Tools, and a link to 'THERE'S AN AI FOR THAT'.

Get instant feedback on your business ideas.

6. Job Hunt Mode

The screenshot shows the homepage of Job Hunt Mode. At the top, there's a yellow header bar with the "JOB HUNT MODE" logo, a "begin your job hunt" button, a "login" button, a "search" button, and a profile icon. Below the header is a teal navigation bar with "Instant Career Services", a "Upleap 10-Day Free Trial" button, a "SIGN UP" button, an "Enter your email" input field, and a "Subscribe" button. On the left side, there's a sidebar titled "Access Tools" featuring three sections: "For All Job Hunters" (with a "FREE ACCESS" button), "Lite Mode" (with a "LITE MODE Pay As You Use" button), and "Priority Mode" (with a "For Nonstop Job" button). The main content area has a black background and contains the text "AI-Powered Career Services", "Designed for modern professionals, & optimized for all career paths.", and "Whether seeking a new job or a raise: our service platform holds the key.". It also features a large green "Begin Your Journey" button and a "Learn More" link. At the bottom, there's a section titled "Why Use Job Hunt Mode?" with three sub-sections: "Empower Your Hunt" (Access powerful tools: an instant boost in...), "Simplify Your Life" (Engineered for success, from your first...), and "AI Advantage" (Instant access, no more waiting on...).

Land your dream job using the power of
AI.
