🔗 <https://www.darkmodedesign.com/>

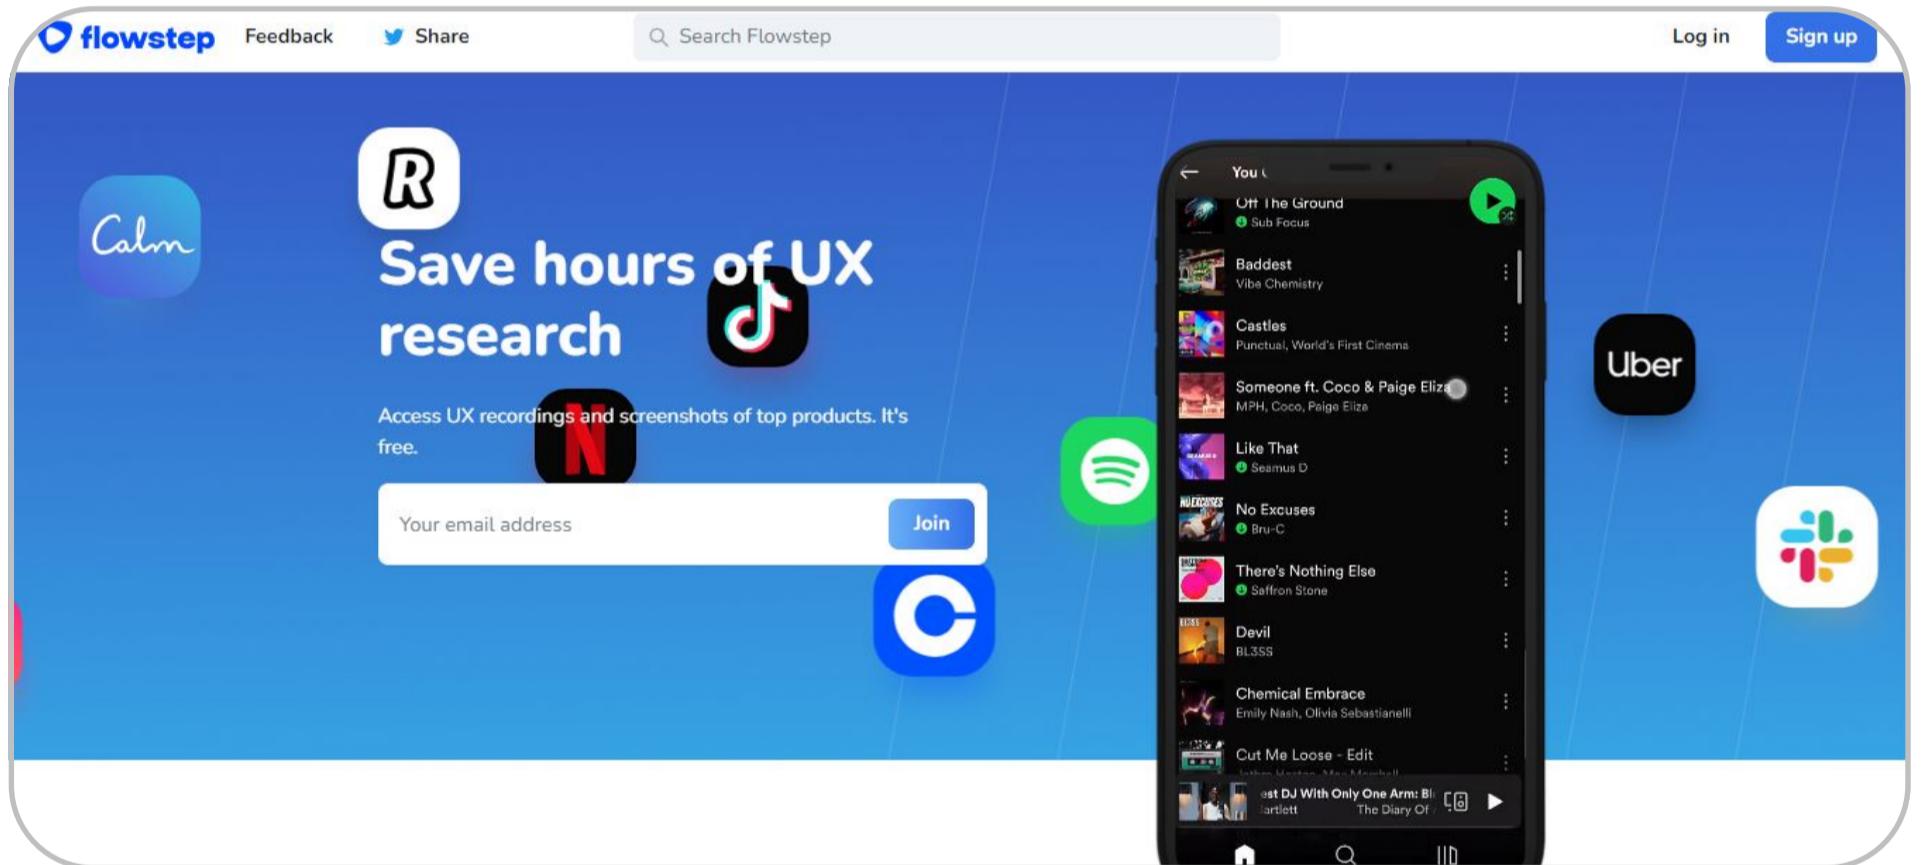

Dark Mode Design is a showcase of beautifully designed and inspiring dark mode websites. Dim the lights, lower your screen brightness, and enjoy.

FLOWSTEP.DESIGN

🔗 <https://flowstep.design/>

The ultimate library of UX/UI recordings and screenshots. Learn from the best and design something better with Flowstep.

GOLDY

🔗 <https://godly.website/>

Godly is a curation of the best web design inspiration, every day. Browse the best e-commerce websites, portfolio websites, animation websites and more.

The screenshot shows the Godly website interface. At the top, there's a large, bold title "Godly" followed by a subtitle "Astronomically good web design inspiration from all over the internet". Below this, there's a "Subscribe" button and a note "42 have today". A navigation bar includes categories like Large Type, Minimal, Design, Colourful, Animation, Illustrative, Interactive, Agency, Dark, Scrolling Animation, Portfolio, Personal, Grid, and All →. The main content area displays a grid of web design examples. One example is highlighted, showing a dark-themed website for "Lusion" with a purple and black abstract background. The Lusion site features a "Subscribe to our newsletter" button. Other visible examples include a "reservations" site and a "Opal" site. A footer at the bottom of the page includes links for Directory, Shop, Info, en, Sponsored, and Open buttons.

LANDINGFOLIO

🔗 <https://www.landingfolio.com/>

Landingfolio features the best landing page designs, templates, component and more on the web. Get inspired by real landing page examples curated by us to ensure the highest quality.

The screenshot shows the homepage of Landingfolio. At the top, there's a navigation bar with links for Inspiration, Component Library, Templates, Learn, Tools, and Pricing. To the right are Support and Login buttons. On the left, a sidebar lists categories like Component Library, Pages, and Industries. The main content area features a large green banner with the text "The Best Landing Page Design Inspiration, Templates and More.". Below it, a paragraph explains the service's purpose: "Looking for landing page inspiration? We've got you covered. Landingfolio features the best landing page designs, templates, component and more on the web. Get inspired by real landing page examples curated by us to ensure the highest quality." There are filters for Search, Device (Desktop), and Color (All). A section titled "Say goodbye to building Tailwind & Webflow sites from scratch" highlights the library's over 805 components. At the bottom, there's a banner for "Premium Components for Tailwind & Webflow. Instantly Copied." followed by a footer with social media icons.

ONE PAGE LOVE

🔗 <https://onepagelove.com/>

One Page Love is a One Page website design gallery showcasing the best Single Page websites, templates and resources.

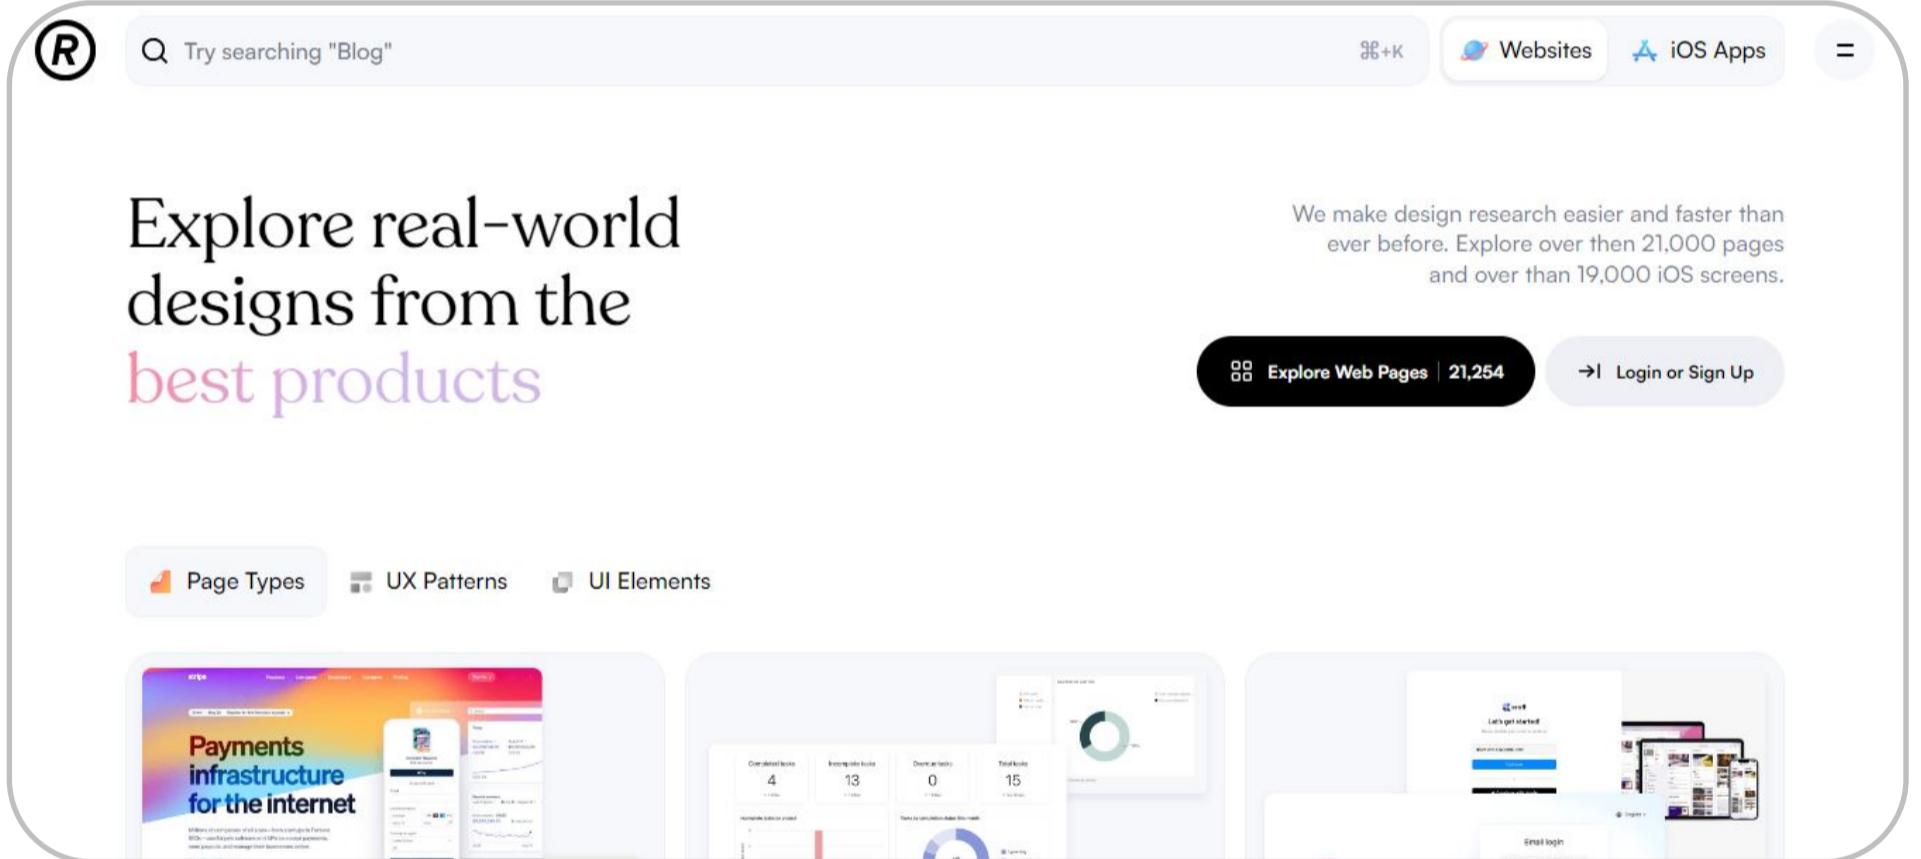

The screenshot shows the homepage of One Page Love. At the top, there's a navigation bar with links for Inspiration, Templates, Resources, Info, Hire, and Build a One Pager. A search bar is also present. The main headline reads "One Page websites, curated." Below it, a subtext states: "Since 2008, we have curated 8220 Single Page websites. Learn more about One Pagers or submit yours to get featured to 150k designers, devs & makers each month." There are two calls-to-action: "Get new inspiration to your inbox" and a pink button labeled "INSPIRATION NEWSLETTER". At the bottom, three mobile device screens are displayed, showing examples of curated one-page websites: "Redis" (a dark-themed site with a large white "Redis" logo), "The fastest UI kit and design system" (a white-themed UI kit landing page), and "Webflow" (the official Webflow website).

REFERO DESIGN

 <https://refero.design/>

The biggest collection of design references from great web applications.

The screenshot shows the Refero website homepage. At the top, there is a search bar with the placeholder "Try searching 'Blog'" and a magnifying glass icon. To the right of the search bar are buttons for "Websites" (with a globe icon) and "iOS Apps" (with an iPhone icon). Below the search bar, there is a large call-to-action button with the text "Explore real-world designs from the best products". To the right of this button, a text block says "We make design research easier and faster than ever before. Explore over 21,000 pages and over 19,000 iOS screens." Below the main heading, there are three categories: "Page Types" (indicated by a document icon), "UX Patterns" (indicated by a grid icon), and "UI Elements" (indicated by a square icon). Below these categories, there are three examples of UI designs: a colorful landing page for "Payments infrastructure for the internet", a dashboard with various metrics like "Our detections: 4", "Emergency alerts: 13", "Downtime: 0", and "Total nodes: 15", and a login screen for "Let's get started". At the bottom of the page, there is a footer with a series of circular icons representing different design elements.

SAAS LANDING PAGE

🔗 <https://saaslandingpage.com/>

SaaS Landing Page showcases the best landing page examples created by top-class SaaS companies.

The screenshot shows the homepage of the SaaS Landing Page website. At the top, there is a navigation bar with a user icon, the text "By Cruip", and categories like "Inspiration", "App Inspiration NEW", "Templates", and "Blog". A search bar is also present. Below the navigation, the main title "SaaS landing page examples" is displayed in a large, bold font. A subtext below it reads: "Discover the best 750 landing page examples created by top-class SaaS companies and startups, and get ideas and inspiration for your next design project." A horizontal menu bar follows, featuring links for "LANDING PAGE", "PRICING", "ABOUT US", "FEATURES", "BLOG", "TESTIMONIALS", "FAQ", and "CONTACT US". At the bottom, three different landing page examples are shown in a grid: "Animoto", "Webinar software", and "SaaS App Design Inspiration". Each example has a small description and a "I agree" button at the bottom right.

LANDING GALLERY

🔗 <https://www.landing.gallery/>

Discover the beauty of the internet with our handpicked collection of the best landing page design inspiration.

The screenshot shows the homepage of the Landing Gallery. At the top, there's a navigation bar with links for PAGES, WEBSITE BUILDERS, NEWSLETTER, and SUBMIT, along with social media icons for Twitter and LinkedIn. Below the navigation, a large heading reads "Home of the best landing page design inspiration". A subtext below it says "Discover the beauty of the internet with our handpicked collection of the best landing page design inspiration." To the right, there's a call-to-action box for a newsletter: "Get Weekly Webdesign Inspiration" with a "Join now" button and an input field for an email address. Below the main heading, there's a grid of four landing page examples. From left to right: 1. briteflow: A landing page for managing events with CMS integration. It features a main headline "Sync your Events Seamlessly with CMS.", a "Get early access" button, and a "Features" section. 2. Notion: A landing page for managing finances and invoices. It features a main headline "Your finances & invoices powered by Notion", a "Dashboard" section with various financial metrics, and a "Get early access" button. 3. remoteBase: A landing page for hiring remote developers. It features a main headline "Hire Top 1% Remote Developers Within 24 Hours", a "Meet the team" section with developer profiles, and a "Request Landing" button. 4. Mission: A landing page for vacation rentals. It features a main headline "Invest in vacation rentals", a "Get started" button, and a "Features" section. The entire grid is set against a light gray background.

WEB DESIGN INSPIRATION

🔗 <https://www.webdesign-inspiration.com/>

Get fresh ideas for your next web design project. (Updated daily)

The screenshot shows the homepage of [Web Design Inspiration](https://www.webdesign-inspiration.com/). The header features a teal navigation bar with the site name, a user icon, and a 'Log in' button. Below the header, a main title reads: "Web Design Inspiration : Get fresh ideas for your next web design project. (Updated daily)". A descriptive paragraph explains the site's purpose: "Webdesign-inspiration.com is a free inspiration gallery from the world's best website designers. We are useful for UX designers, marketing teams and entrepreneurs (basically, any web design project owners). Our editorial team picks the best web design ideas. (Updated daily)". A small note below the paragraph encourages users to "Get a free account to store and organize your favorite website designs : [Sign up](#)". To the right of the main content, there is an ad served by Google with options to "Ad options", "Send feedback", and "Why this ad? ⓘ". At the bottom of the page, a black banner promotes a "Limited offer on Divi Wordpress Builder : 10% off ! → [Get this Discount](#)".
